## MISSION

The goal of the Westchester Library System Battle of the Books program is to promote the love of reading in kids and teens, to expose them to titles and authors that they might not encounter otherwise, to encourage them to think of their public library as a resource for entertainment and connection, and to inspire teamwork in an atmosphere of friendly competition.

## BATTLE OF THE BOOKS

The Battle of the Books (BOB) is a countywide competition of young adults and children from all participating Westchester County public libraries. ## **HOW IS THE BOB TOURNAMENT STRUCTURED?**

- In each round a question will be asked; the first team's active players to buzz in will have 15 seconds to confer in the main zoom room before giving their answer.
- If they answer correctly, they are awarded a point. If they answer incorrectly, a different question of similar difficulty will be asked of the opposite team who will have 15 seconds to confer before giving their answer. If they answer correctly, they are awarded a point. If they answer incorrectly, no one is awarded the point and play progresses to the next question.
- While libraries are encouraged to keep track of their wins and losses, due to concerns of equitable access, the Board has opted to eliminate having a Final or a Semi-Final to keep the competition more low stakes.

## **WHAT ARE THE QUESTIONS & ANSWERS LIKE?**

- Trivia questions for the Battle of the Books will be written, edited, and selected by the WLS' Battle of the Books planning committee.
- Questions will be fact-based only, with simple one word or one-phrase answers.
- Questions cannot be true/false, yes/no or multiple choice.
- There will be 25 questions in each Battle Match. Questions about all 5 books will be included in each match. Teams get 1 point for each correct answer. The team with the most points after

all 25 questions have been asked wins the match.

- The person who buzzes in first must be the person to officially answer that question for the team and after buzzing in may confer with teammates for 10 seconds before answering. The opposing team is allowed to confer while the answering team is conferring.
